**NEWS LETTER**  
**June-2013**

- **Expert Lectures/Seminars/Courses/Workshops organized by an Institute :**
- **Guidance seminar on “Post SSC diploma in Engg. online centralized admission process-2013”**

The K.K.Wagh Education Society have organized a District Level seminar on “Post SSC diploma in engineering online centralized admission process -2013 ” for SSC students and their parents on 5<sup>th</sup> June 2013 at Kavi Kalidas Kalamandir, Nashik. Hon. Shri Balasaheb Wagh, Chairman K.K.Wagh Education Society inaugurated the Programme. Prof.P.T. Kadve, Principal, K. K. Wagh Polytechnic, Nashik , Prof. Mrs. V. R. Khapli, Principal, K. K. Wagh Women’s Polytechnic, Nashik and Prof. M. B. Jhade, Principal, K. K. Wagh Polytechnic, Chnadori coordinated the programme. Mr.Gaikwad H.M., HOD (Computer) guided the SSC students and their parents about the online admission process of Post SSC diploma in engineering. In this seminar he focused on eligibility of the candidate, type of the candidate, reservation criterion, documents required, stages of allotment, CAP rounds, Option form filling, Fees structures and rules of DTE for admission. The parents and students got all the information related to the admission process and their doubts were cleared in this guidance session.
- **Counseling Seminar on “Online option form for first year diploma admission process”** The K.K.Wagh Women’s Polytechnic, Nashik have organized a District Level seminar on “Online option form for diploma admission process” for SSC students and their parents on 28<sup>th</sup> June 2013. Prof. Mrs.V. R. Khapli, Pricipal, K. K.Wagh Women’s Polytechnic, inaugurated the program. Mr. H.M. Gaikwad, HOD (Computer) guided the SSC students and their parents about the how to fill online form under centralized admission process for first year diploma in engineering. In this seminar he focused on how to choose proper course by considering curriculum coverage, current scenario of employment, job opportunities and higher education opportunities. He also explained how to fill online option form and care to take while filling option form. The parents and students got all the information related to filling option form for admission process and their doubts were cleared in this guidance session.

- **Meeting/Conference / Workshop/Training attended by staff:**

- Mrs.M.S.Kale from **Information Technology Dept.** ,Mrs. M. K. Boraste, Lecturer, from **Electronics and Communication Engg. Dept.** and Mr. M.D. Thorat, Lecturer, from **Science Dept.** had attended the Two Weeks Induction Training Programme (Phase-I) at Guru Gobind Singh Polytechnic, Nasik from 03-06-2013 to 14-06-2013. The trainers for the program were from NITTTR, Bhopal and included Prof. Mrs. S. S. Kedar (Associate Professor, DEM), Dr. D. S. Karaulia (Professor, Department of Computer Engineering and Applications) as coordinators. Experts included were Prof.R.M.Nafade and Prof.S.P.Dikshit from Government Polytechnic, Nasik. First week consisted of overview of technical education, roles and responsibilities of technical teachers, concepts of curriculum in syllabus, learning and its objectives, effective communication in classroom and assignments related to same. Second week focused on use of teaching media, effective teaching learning basics, assessment of students, planning and organizing laboratory work, time management and teaching practices and feedback and assignments on writing questions and designing question papers. The program proved to be useful to the faculty for enhancing the requisite knowledge, skills and desirable attitudes to enable them for effective instructional transference.
- The ‘Induction Training Phase- II’ was attended by Mrs. D. M. Jori and Mrs. P.P.Wani from Science Dept.during 10/6/2013 to 21/6/2013 (two weeks). This programme was sponsored by NITTTR, Bhopal and organized by MSBTE at K.K.Wagh Polytechnic, Nashik. The purpose of it was to develop basic teaching skills including those of preparation & use of simple instructional media among the all faculty. At the same time, this programme also aims at developing professionalism in the practicing teachers including right values & desirable attitudes.The first session was guided by Dr. Joshua Earnest and second session was guided by Dr. AnjuRawlley, Professor, DVE & ED, NITTTR, Bhopal. During these sessions, the review of Phase- I, concept & importance of curriculum, role of teachers in implementation of curriculum, competency mapping, instructional methods, learning outcomes, design of technical case- study and its importance, list of all types of projects, techniques of assessment, design of different types of question papers, design of innovative lab. experiences, design of print material, purpose behind Industrial training were discussed. At the last subject wise implementation were presented by the participants to develop and accomplish the competencies
- Orientation Programme for implementation of ‘G’ Scheme (3<sup>rd</sup> Semester)’ was Sponsored by MSBTE and organized by various Polytechnic Institutes in Maharashtra. The Orientation Programme for the subjects Electronic Devices and Circuits, Principles of Digital Techniques, Electronics Instruments and Measurements and Electrical Engg. was organized by K. K. Wagh Polytechnic, Nashik on 26<sup>th</sup> ,27<sup>th</sup> ,28<sup>th</sup> ,and 29<sup>th</sup> June 2013 respectively. The contents of the program were Teaching procedure, Learning Procedure, R-Level, L-Level and A-Level Questions, How to prepare question paper pattern, Contents of syllabus, How to cover syllabus, activity performed on “Learning objectives of any one chapter” and “ Question Paper on PTT-1 and PTT-2”.Following staff members

from Electronics and Communication Dept.(ET) and Electronics and Tele-Communication Dept.(EJ) have attended the programme:

Sr.No.	Staff Name	Sub	Date
1.	Ms.S.P.Sonawane, Lecturer, ET Dept.and Mr. M.R.Ratnaparkhi, Lecturer, EJ Dept.	Electronics Devices and Circuits.	26/06/13
2.	Mr. S.V. Joshi,Lecturer, ET Dept. and Mr. V.S.Tarle, HOD,EJ Dept.	Principles of Digital Techniques.	27/06/13
3.	Ms. P.P. Wagh, Lecturer, ET Dept. and Ms. M.V.Patil, Lecturer, EJ Dept.	Electronics Instruments and Measurements.	28/06/13
4.	Ms. S.B. Pund,Lecturer, ET Dept.	Electrical Engg.	29/06/13

- Ms.M.D.Patil and Mr.R.M.Yeole from **Information Technology Dept.** attended the orientation programme for the subjects Data Structures and Relational Databases respectively at Government Polytechnic, Dhule. The programme was sponsored by MSBTE and was undertaken to guide the staff members regarding the implementation of new curriculum (G-Scheme).
- Content updating training program on Analog Communication was organized by “IIT Kharagpur” at K.K.Wagh Institute of Engineering and Research, Nashik. Mr. M.R.Ratnaparkhi from Electronics and Telecommunication department of K.K.Wagh Women’s Polytechnic attended the program. The program was scheduled from 04<sup>th</sup> June 2013 to 14<sup>th</sup> June 2013. The ten day program included theory and practical sessions on various topics such as Single Stage Amplifier, Multistage Amplifier, Power Amplifier, Oscillator etc.

- **Student Activities:**

The students of K.K.Wagh Women's Polytechnic, Nashik underwent a summer training to get hands on experience on various programming tools and to get an overview of the practical aspects involved in the industry.
